- Beneficiaries of the Scheme- Individual / SHGs / FPOs / FCOs / JLGs and

Section 8 companies To know more click here -

<https://dahd.nic.in/sites/default/files/NLM%20Operational%20Guidelines.pdf>

6. Dairy Entrepreneurship Development Scheme:

Headed By: National Bank for Agriculture and Rural Development (NABARD)

Eligibility: Farmers, individual entrepreneurs, NGOs, companies and groups from the unorganised and organised sector can apply under this scheme. An individual will be eligible to avail assistance for all the components under the scheme but only once for each component. More than one member of a family can be assisted under the scheme provided they set up separate units with separate infrastructure at different locations. The distance between the boundaries of two such farms should be at least 500 metres.

Overview: This startup scheme by the Indian government aims to bring structural changes in the unorganised sector so that initial processing of milk can be taken up at the village level itself and bring about upgradations of traditional technology to handle milk on a commercial scale. Fiscal Incentives: The incentives differ with respect to the cost of the required equipment or establishment of the facilities. In all cases, 25% of the outlay (33.33 % for SC / ST/ farmers) as back-ended capital subsidy subject to the applicable ceiling is provided to the eligible stakeholders.

Through SBICAP Ventures

1. Neev Fund I

• Neev Fund I invested in opportunities that created sustainable economic, social, and environmental benefits in the target states, comprising some of the poorest regions in India. • Neev Fund I invested in companies that showed high growth potential, had commercially viable business models and positive impact on the society. The key areas of investment included Agriculture supply chain (cold storage, warehousing), Renewable Energy (solar, biomass, wind, hydro), Healthcare, Education, Clean Technology and Waste Management.

To know more click here <https://sbicapventures.com/funds-managed/neev-fund-i/>

Through SBICAP Ventures

2. Neev Fund II

- Neev II will invest in small and medium enterprises (SMEs) that focus on limiting and increasing resilience to climate and environmental changes and are aiding India in meeting its carbon emissions reduction targets by 2030.
- Neev II aims to bridge the private equity gap required for the transition towards climate resilience and low emissions in the SME space.
- Neev II will go beyond the traditional definition of impact investing by taking up policy initiatives to harness the true potential of impact. It will follow an active engagement model like Neev I which will enable its portfolio companies to grow and transmit the benefits across the value chain.
- The fund will work with its investees to provide regulatory support, access to finance and organization building abilities.

To know more click here <https://sbicapventures.com/funds-managed/neev-fund-ii/>

Through SBICAP Ventures

3. SRI Fund

The objective of the Fund is to provide funding support to the Daughter Funds for onward provision to MSMEs as growth capital, through equity, quasi-equity and debt, as may be permitted under relevant SEBI guidelines to achieve the following objectives:

- Helping MSME businesses grow faster so as to energise the economy and create employment opportunities;
- Supporting enterprises which have the potential to graduate beyond the MSME bracket and become National / International champions;
- Supporting MSMEs which help making India self-reliant by producing relevant technologies, goods and services

Application shall be filed through https://srifund.sbicapventures.com/sbi_webform/

Women Centric Schemes

1. Skill Upgradation and Mahila Coir Yojana

It is an exclusive training programme aimed at the skill development of women artisans engaged in the coir industry.

Two months of training in coir spinning is imparted through this programme.

The candidates who undergo this training are given a stipend of Rs. 3000/- per month.

The trained artisans under the scheme are encouraged to avail assistance through Prime Minister's Employment Generation Programme (PMEGP) scheme to set up coir units.

To know more click here https://my.msme.gov.in/MyMsmeMob/MsmeScheme/Pages/1_3_5_1.html
